OUR MISSION

The Eithne and Paddy Memorial Fund, was set up by the well-known hotelier John Fitzpatrick in memory of his late parents, Eithne and Paddy. The Memorial Fund works to raise funds in support of a diverse group of worthy organizations across the island of Ireland and here in the United States that focus on a range of much needed initiatives including expanding educational opportunities, helping families and children affected by serious illnesses, delivering social services to the elderly and fostering peace and understanding between people in troubled areas.

Look forward to seeing you on the day!
